The **shortest-way** with the dissenters: or, Proposals for the establishment of the church. With its author's brief explication consider'd; his name expos'd, his practices detected, and his hellish designs set in a true light, that the party which stickles for him, may rightly know him, and that which is against him continue to triumph over him. The 2d ed., corr. and amended. To which is added, a post-script, by way of answer to some malicious and false aspersions, &c. ... London, 1703.
